

UPR R35 TOURING BOOTS

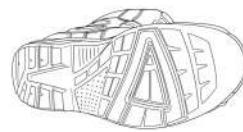

CE Approved
EN 13634 : 2020 CE

Auto-Lock Zipper with Adjustable Velcro Flap:
Features an auto-lock zipper that is securely covered with an adjustable Velcro flap for easy access and a customized fit.

Open Cell Foam Padding:
The inner lining is padded with open cell foam for enhanced comfort, making these boots perfect for long rides and extended use.

Anti-Slip Oil/Rubber Sole:
The oil-resistant, anti-slip rubber sole provides superior traction, even on wet or slippery surfaces, for added stability and safety.
